Urologist, Andrologist & Sexologist

Best Andrologist in Pune – Dr. Akhil S Mane

Are you suffering from a male fertility issue? And looking for the **best andrologist in Pune**? Then your search ends here. Dr. Akhil S Mane is one of the experienced **andrologists in Pune**, having more than 12+ years of experience in treating various male fertility problems. He is an expert in diagnosing and treating a wide range of Andrology conditions such as Male Infertility Treatment, Erectile Dysfunction, Balanitis Treatment, [Blood in Urine Treatment](#), Stapler Circumcision Surgery, Priapus Shot (P-Shot) Treatment, and Premature Ejaculation Treatment, Penile & Scrotal Conditions, and more. He provides advanced andrology treatments at the dedicated Urology and Andrology Center of Leela Superspeciality Hospital, Wakad, Pimpri-Chinchwad, Pune. Dr. Akhil S Mane has successfully treated more than 10,000 patients suffering from Andrology problems, providing safe and advanced solutions for men's reproductive and sexual health. With a patient-focused approach and modern medical techniques, Dr. Akhil Mane ensures that every patient gets personalized, private, and effective care. He doesn't just treat the symptoms but also looks for the underlying causes of the problem.

Dr. Akhil S Mane pursued his MBBS in 2009 from MGM Medical College, Aurangabad, and MS (General Surgery) from Srimanta Sankaradeva University of Health Sciences. He completed his DNB in Andrology/Urology from Deenanath Mangeshkar Hospital, Pune, in 2018. Whether you are facing fertility issues, sexual performance concerns, or hormone-related problems, Dr. Akhil S. Mane offers proven treatments tailored to your needs. With his compassionate care and expertise, he helps men regain confidence, improve intimacy, and enjoy better overall health. Each patient receives a complete check-up, which may include hormone tests, lifestyle assessment, and emotional support if needed. This helps provide a holistic approach to improving men's reproductive and sexual health.

Andrology Treatment Provide:

Expertise & Specialization:

- **Prostate Treatment** – Care for prostate enlargement (BPH) and prostate cancer to improve urinary function and overall prostate health.
- **Male Infertility** – Diagnosis and treatment for issues like low sperm count, varicocele, or other reproductive challenges to help men conceive.
- **Erectile Dysfunction Treatment** – Solutions for difficulty in achieving or maintaining erections, including advanced therapies like Priapus Shot (P-Shot).
- **Balanitis Treatment** – Treatment for inflammation or infection of the penis, improving hygiene and preventing complications.
- **Blood in Urine Treatment** – Evaluation and management of hematuria (blood in urine) to identify and treat underlying causes.
- **Stapler Circumcision Surgery** – A modern circumcision procedure using a stapler device for faster healing and minimal discomfort.
- **Premature Ejaculation Treatment** – Therapies and guidance to help men delay ejaculation and improve sexual satisfaction.

Why Choose Dr. Akhil S. Mane – Best Andrologist in Pune?

Choosing the right doctor for men's reproductive and sexual health is crucial. Dr. Akhil S. Mane combines experience, expertise, and a compassionate approach to offer comprehensive and effective andrology care. Here's why he is considered one of the best andrologists in Pune:

- **12+ Years of Experience:** Dr. Akhil Mane has over a decade of experience in diagnosing and treating both simple and complex andrology conditions. His extensive knowledge allows him to provide accurate diagnoses, personalized treatment plans, and successful outcomes for men of all ages.
- **10,000+ Patients Treated:** With a track record of treating more than 10,000 patients, Dr. Akhil Mane is trusted by men and families across Pune, Wakad, and PCMC. His patients appreciate his professional expertise, confidentiality, and compassionate care.
- **Advanced Andrology Treatments:** Dr. Akhil Mane offers state-of-the-art andrology treatments, including minimally invasive procedures and the latest therapies for male sexual and reproductive health. From **erectile dysfunction**, **premature ejaculation**, **male infertility**, to **hormonal imbalances**, he uses modern techniques to ensure safe, effective, and lasting results.
- **Comprehensive Care Under One Roof:** At the Leela Superspeciality Hospital, Wakad, Dr. Akhil S. Mane provides complete andrology care under one roof. Patients can access consultations, diagnostics, treatment, and follow-up care all in one place, making the entire experience convenient and seamless.
- **Patient-Centered Approach:** Dr. Akhil Mane prioritizes the needs and concerns of his patients. He takes the time to listen carefully, explain all treatment options in simple language, and design personalized care plans that best suit each individual. Every patient receives attention, guidance, and support throughout their treatment journey.
- **Trusted Across Pune:** He is highly recommended by patients and families for his **expertise, safe treatments, and compassionate care**. Men trust him not only for his technical skills but also for his ability to address sensitive health issues with empathy and discretion.
